State Route 65 closed at Sunset Boulevard Friday night to install falsework frame

Sacramento – The California Department of Transportation (Caltrans) will close both the north and southbound lanes of State Route 65 where it intersects with Sunset Boulevard at 11 p.m. on Friday, July 10. The highway will reopen at 7 a.m. on Saturday, July 11.

The nighttime closure is to facilitate a contractor who will be installing a falsework frame at the intersection. The wooden frame is put in place prior to pouring the concrete that will eventually become a bridge. The falsework allows the concrete to cure.

The contractor and Caltrans will be posting signs to inform the public of the closure as well as the detour routes. The detour routes are as follows:

- Motorists heading north on SR65 will be detoured onto westbound Blue Oaks Boulevard and then sent north onto Industrial Avenue. They will then be sent west onto Twelve Bridges Road where they will rejoin SR65.
- Motorists heading south on SR65 will be detoured onto westbound Twelve Bridges Road and then sent south onto Industrial Avenue. They will then be sent east onto Blue Oaks Boulevard where they will rejoin SR 65.

As always, Caltrans urges motorists to use caution on all freeways and highways and to "Slow for the Cone Zone".
